Area	Activity Descriptions
A	<p>Movie: Beyond the Powder 'Beyond the Powder' is a documentary film that follows the 2014 Air Race Classic racers as they make their way across the country, while telling the story of the original race of 1929, also known as the Powder Puff Derby.</p>
C	<p>Hands On Flight Engineering Activity Build an airplane glider and observe its flight. Then, engineer modifications to help your glider better achieve your flight goals.</p>
D	<p>Guinness World Record Setting: Pink Paper Plane Challenge™ Fold paper airplanes and add them to our mosaic. Our mosaic will join other Women of Aviation Week events around the world to set a new record!</p>
E	<p>Pilot Skills Training Women of the NY State 99's present 4 stations of pilot skills training: Pre-Flight, Cockpit, Sectionals, and Weather. Each station will have 6 half-hour, interactive lessons throughout the day. Please refer to the event timeline for start times.</p>
F	<p>Women of Aviation Learn about a variety of awesome women through history who broke barriers and made significant impacts on aviation as we know it.</p> <p>Maureen Athoe of Moog Maureen Athoe is the President of the Space and Defense Group at MOOG. Interact with her about her career and the amazing things she's doing at MOOG.</p> <p>How Do Planes Fly? Talk to an aerospace engineer, who will explain the basics of how airplanes work.</p> <p>Panel Discussion Meet women who work in a variety of aviation industry jobs. The panel will describe what they do and answer audience questions.</p> <p>Air Race Classic Hear from two women who flew in the Air Race Classic, an all-women's air race that started in 1929 and is meant to encourage and educate current and future women pilots while preserving and promoting the tradition of pioneering women in aviation.</p>
